Spend an Afternoon with the Coolest Kids in Town!

We're in the final days of planning QC's Family Tree's Freedom School.

One of the biggest volunteer needs we have is for On Site Activity leaders. We need folks who will volunteer to lead fun and engaging activities to our scholars. The time commitment for this is 1-2:30 pm. It involves leading 45 min of activities to a group of 10-12 scholars and repeating the same activities to a second group for another 45 min. Activities could include: crafts, fitness, making things, science projects, games, music, cooking, etc.

We have several On Site Activity Leader slots open. Please take the time to sign up now:

If leading activities isn't your thing, there's still an opportunity to help out. Check the link to see all the possibilities.
