Welcome Phillips Family!

Dani and Justin have lived in Charlotte for 10 years. Dani is originally from a suburb of Chicago and Justin grew up in Pittsboro, NC. They met in college at UNC Chapel Hill (Go Heels!) and moved to Charlotte for Justin's job. They have 3 kids, Logan is 7 and in first grade at Providence Spring, Colton is 5 and Sadie is 2 and they both attend preschool at Providence Presbyterian. It was their love of the preschool program and friends made there that led them to visit PPC and they are happy to have found their church home.

Thank You

Thank You, Providence Church Family!

We would like to say "Thank you so very much" for celebrating our wedding reception with us on Saturday, January 6. The reception was an extraordinary experience for us and beyond our expectations. We had a blast! We really appreciate each of you for your generous gift. We are upgrading some of our household necessities so it will definitely be put to good use. We are so grateful to be a part of PPC family!

Chimbote' Mission Team Support

This Sunday, Jan. 14th we'll have another opportunity to give an offering to our Peru Mission Team. The money we give they will take and use to help pay for medicines, surgeries, and treatments at the public hospital in Chimbote'. The costs for these procedures is quite reasonable compared to their costs here in the US, and our offerings go a long way to helping folks get the treatments they need but cannot afford. Every gift is important and potentially life saving. Thanks for your generous support of this important aspect of the Chimbote' Mission.

Please take a moment to pray for those going on this trip:

Lal Rodawla, Dan Kunkleman, Ed Day, John Garver, James Hill, Bret Myers, Luanne Day, Andy Lawler, Tim Good, Ryan Good, Jessica Good, Amy Good, Mary Good, Dave Dickey, Kristin Dickey, Danny Ott, Dave Ott, Nancy Ott and Jeff Ramsey.

New PPC Logo...

As we have closed the 250th year of celebration, the Growth and Vision team feels it would be a positive step to continue our church's education of its rich past. This is the ideal time to replace our 250th seal with an updated version of our church's logo representing that history. We hope this update is actually a turning back of time, calling upon 18th century styles to proudly show our roots.
