

COMMITTMENT FORM 2023

God has blessed each of us with unique talents and passions and calls us to use our gifts to serve God and neighbors. As we serve God and others we find joy, strengthened community, and deepened faith; and the ministry of Christ's church is expanded. Prayerfully consider how God is calling you to use your gifts and time in ministry.

Please know this is not an invitation to serve on a committee!

Of course, you can ask to serve on a committee if you want, but that isn't the purpose of this survey. In each section you will see numerous activities as well as an open space to give your own thoughts and ideas. We hope something piques your interest.

We all are equipped in our own unique way to be the hands and feet of God in the world. If you have a particular skill or love, perhaps you will see it here, and it can be used to the benefit of God's kingdom here in Charlotte and elsewhere.
